The guitar world's newest sex symbol goes hot pop on this infectious album track

## 7 RITA IS INNOCENT THE TOY DOLLS

Forget *Nelly The Elephant*, this live track is the Doll's at their punky best

## 8 BEFORE I FALL... RAZORLIGHT

This latest single from Razorlight is a masterclass in indie pop guitar

## 20 I GOT A FEELIN' EODM

If only because we feel sorry about Axl's "Pigeons Of Shit Metal" comment...

### WHAT'S ON MY IPOD SCOTT IAN (ANTHRAX)

"I use my iPod most when I'm training. I box and boxing is very rhythm oriented. It's also very aggressive (duh) so I put mixes together to crank in the gym while I'm punching."
